REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: claims 1 – 52 are allowed over prior art of record.

Regarding claim 1 – 2, the prior art of record failed to teach a phase detector and signal locking system controller having a control unit receiving at least the first control signal, the second control signal, a first gain factor, and a second gain factor and outputting at least a phase measurement signal.

Regarding claim 3 – 52, the prior art of record failed to teach a phase detector and signal locking system controller having a post processing and control unit receiving at least the first synchronized phase indicator signal, second phase indicator signal, the order indicator signal, and the first input source and outputting a phase measurement result signal.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
